

# Merrillvue 1978

Published by the students of Merrillville High School Vol. 53

Top: The Junior class is caught showing their school spirit during a pep session. Right: The football team awaits the playing of the Star Spangled Banner before game time.

Top: Homecoming Dance "1977" Middle: Seniors Claudia Pawl and Lynn Bardeson show who's number in powderpuff football. Bottom: Sheri Halsted and Pat Walker.

Sophomores ... somewhat afraid, yet excited about going to the high school. "It's so big, I'll probably get lost. Classes, there are so many things to remember, I know I'll flunk my English class. I hear they pile on the homework. I won't know anybody there, I'll never see any of my old friends. What am I gonna do? So much more freedom, but with freedom comes responsibility? Can I handle it?"

Juniors . . . Already established in their patterns of study, of friendships and of behavior. "This year is gonna be a lot of fun. The dances, the football games, the parties. I've sure missed my friends over the summer but, now that I have my license we'll go everywhere! What will prom be like? Just think, only one more year before I'm a senior!"

WHAT IT W

Then, only too soon it happens ... Senior year. Couldn't wait for it to come and now so much is happening, so many decisions, the years just went too fast. "Am I ready for it? To be on my own? To do what I want? Total confusion! It's frightening to think that this is the year which may determine what the rest of my life will be like. What will it be? College, marriage, vocational school? I'm too young to make all these decisions. Graduation, will I laugh or cry? Will I keep my friends after high school? What am I gonna do?" Dazed and confused! It sure seems to fit.

Sophomores, Juniors and Seniors. All combine to form one student body. So much alike yet so different. Each individual has his or her dreams and hopes of the year that lies ahead.

Upper left: Senior Tim Rogers. Far left: Junior Powderpuff team. Middle left: Sophomore Mitch Best talks with a friend. Upper right: Senior Cindy Mitchell. Middle right: Seniors Felicia Galati and Monica Backe. Lower right: Co-editors Joann Keilman and Lisa Bryant. WHAT IT WILL BE

The Year ... What It Is. This section of the book tells the story of the school year. Capturing the emotions and the memories in pictures so we may never forget the events that make this year a special one. The sports, the dances, the concerts, club activities and most of all those exciting moments, the fun, and those unique people who make this year what it is.

Upper left: The school year calendar. Lower left: Seniors Lynn Hodick and Sue Mikuly participate in a Child Development class. Upper right: Members of the 1974 Merrillivus yearbook staff take a break Middle right: MfS during the winter of 78. Lower right: Sophomore cheering section at a pep rally.

## It Was Homecoming: A Quick

Traditional homecoming festivities began too early in the year. Starting the quick chain of events was the parade which featured the class floats, the high school marching band, the class powder puff teams, and the queen candidates. Following the parade was the excitement of the powder puff games. By defeating the sophomores the juniors had an opportunity to play the seniors. Seniors won the game 16-0 with help from the quickness of Kim Leposky scoring the two touchdowns and Cindy Mitchell adding the two extra points. Friday was the pep session where there was much hope and excitment of winning the game against Portage. Adding to the excitement was the announcement of Tim Seneff as Mr. Football.

Top: Karen Iussig, Mike Qualizza, Home-coming Queen Claudia Pawl, Dan Wydro, Donna Campbell, Greg Henkey, Kerry Keough, Randy Standish. Right: Claudia Pawl, Coach Demaree.

## It Was pep sessions, floats, powder

Top left: Brad Lunsford, Becky Waite. Top right: Victorious seniors. Middle left: Jeff Truchan. Middle right: Senior float. Bottom right: Coach Ken Haupt.

## puff teams, and a formal dance

Top: Junior class. Bottom left: Junior powder puff team. Top right: Cheryl Brown, Tim Hogan.

Friday night everyone headed towards Demaree Field to watch the fighting Merrillville Pirates scalp the Portage Indians 34-7. During halftime, Claudia Pawl was named the 1977-1978 homecoming queen. Saturday was an enjoyable evening as many couples settled down to an evening of dancing in the Merrillville cafeteria. The theme of the dance was "You Light Up My Life".

## It was S.S.S. Initiation

During the year the MHS Sunshine Society does it's part in serving the community. In November a Thanksgiving basket was given to a needy family. In December Sunshiners went caroling at Maple Manor and St. Anthony's. They also had a Christmas party for the children at Trade Winds. Sunshiners also do many other things throughout the school year and are glad when their efforts are received with such happiness. Sunshiners feel that their aim is reached when they have shared some sunshine!

Top: Sunshiners Dana Zaradich, Karen Valant, Debbie Homier, and Pam Beck served refreshments during their initation. Bottom: Sponsor Mrs. Bovard waits patiently for sunshiners to serve her punch.

Bottom glit: Fullback. Brad Lunsford breaks through the Portage defense.

## They haven't done it since '49

In 1977, the football Pirates finished with a perfect 10-0 season, the first time since 1949, and won their first Duneland Conference Championship since joining it three years ago. Led by All-Staters Mike Chelovich and Tim Seneff, the Pirates defense allowed only 33 points, shutting out opponents five times while giving up only one touchdown the other five outings. Senior Mark Meechia also received All-Conference honors along with Seneff and Chelovich. The offense, led by Tom Szmagaj piled up a total of 243 points on their way to their perfect season. Among Szmagaj's accomplishments was making the All-State Team, the All-Conference scoring title (66 points), and being voted Duneland Conference most valuable player. Cocaptain Larry Tharp also made the All-State and All-Conference Teams for his offense accomplishments. The Pirates finished the regular season ranked first in the coaches poll and second in the writers Poll.

Top Left: Senior punter Dave Evorik gets off a 42 yarder against M.C. Rogers. Top Right: Senior tailback Tom Szmagaj eludes a Wallace defender. Above: Senior Jeff Absher and Mike Chelovich pull down a Chesterton ball carrier.

## Nothing Lasts Forever

The highly ranked and favored Pirates were upset by the number ten Portage Indians 3 to 0 in the sectional football playoff game. In front of 7,000 fans, the Pirates played an all defensive game only to be scoreless until less than a minute left in the fourth quarter. The Indians recovered a fumbled punt by the Pirates leaving the game open for the Indians. The Pirates were soon to see their first defeat of the season in eleven games. Three plays later with only fifteen seconds remaining, the Portage kicker hit a completed twentyfive yard field goal. Even though the Pirates lost, they totally dominated the game on offense and defense as they outnumbered Portage on offense 235 vards to Portages 88 with a respectful secondary allowing a total of eight yards on the passes.

## J.V.ers Improve, Finish .500

Under coaches Greg Pierson and Dennis Conley, the 1977 Junior Varsity football team finished with a 2-4 Duneland Conference record and a 4-4 record over all. Three of the four wins coming in the last three games of the season. Their biggest win was over cross town rival Andrean, 21-7. The J-V offense racked up a total of 91 points while the defense held opponents to 89; a big improvement over last year.

## Girls gain Sectional title

Once again Coach Joanne Schafer led a girl's athletic sport to a sectional crown. The girl's varsity basketball team worked hard to achieve their 13-5 season record, and 4-2 conference record.

Sectionals were next on the agenda. The girls won the first game against Lake Station and then had to face highly favored Andrean. Despite a loss to Andrean in the regular season, the girls went on to defeat the Niners and to take the sectional crown.

# Golfers finish fifth in conference

The girls' golf team under the direction of Mr. and Mrs. Wiles, wound up with a 4-12 season record and fifth in the Duneland Conference. After winning the opening match to Knox, the girls then lost four in a row only to bounce back against conference rival. Chesterton. The other highlights of the season were the matches against Mc. Marquette and against Hobart where the girls kept their scores low enough to come out ahead. Julie Wallin went on to win the duneland conference award.

At the awards banquet, Karen Iussig and Cheryl Sweat both received the best mental attitude award while Kathy Jannasch was presented with the low medalist award and Kari Anderson was voted most improved.

Sectionals

With a couple respectable finishes in the different invitationals, the 1977 Merrillville Cross Country team earned themselves a 40% winning record.

The Bucs posted their first dual meet victory over Wirt but saw no victories in the Duneland Conference. They won some late meets to bring their season mark to 4-6, then finished sixth in the conference meet and eighth in the sectionals.

Overall the 1977 boys tennis team finished up with a 12-6 record and third place finish in the Duneland conference with a 7-5 mark. Led by the team MVP, Jeff Markle, the netters were 1-1 before going on to a four match winning streak, the longest of the season. Helping Markle improve the record over last year were underclassmen Mark Mumaw, voted most improved by his teammates, and the

doubles team of Andy and Todd Spear. The Pirates ended the season by knocking off Calumet in the sectionals.

## Foreign Languages Spark Cultural Interest

Communication and the ability to understand one another is a growing concern for successful business, political as well as for personal reasons. The Foreign Language Department strives for students' mastery of a particular language, through reading, writing and conversation. Offered to students was Spanish, German and French, ranging from first to fourth year. Comprehension and pronounciation are stressed, and later, novels and in-depth cultural reports are done. For the collegebound or just interested student, the Foreign Language courses represent a good background which can prove to be an asset in anyone's future career.

## Class Discussions Highlight Social Studies

Social Studies is a broad field that offers many opportunities for growth. And our Social Studies Department is no exception. Besides the required U.S. History, Government and Econ classes, there were courses which delve deeper in historic and social events. Discussions urging class participation have replaced demanding names and dates. Instead, instructors placed the accent on concepts and ideas, and thus, making history more interesting for students. Some more specified classes included Values and Issues, History of War and Psychology. Such courses took a closer look at the development of men and nations. So no matter where the questions came from, the issue could find answers in the Social Studies Department.

## It was Music and Performance

The Pom-pon girls and the Bands added to the enthusiasm of the home games and the pep rallies. They entertained Pirate fans with performances and Music to "Rocky", "Happy Days", and "Hound Dog".

Top: The Pom-pon girls and Marching Band performed down Broadway in the Homecoming parade. Bottom: Pep Band psyched up students for the evening game.

Michelle Delañosa, Janiece Lugak, Ronn Figueroa, Kaye Truchan, Debbic Coleman. Middle right Drum Major Dale Fucker wonders how the band will sound tonight. Bottom: Pom-pon girls pause for a pose.

## It was the sophomore play:

This play was centered around two girls, Cornelia and Emily, who were striving for independence during their trip through Europe. Their many mishaps and many adventures added to the amusement of the play written by Cornelius Otis Skinner and Emily Kimbrough.

The play was directed by Miss Judy Mortell. She was assisted by Kathy Puntillo, student director; Bridget Hamang and Terry Stanton, senior rehearsal assistants.

## It Was: "Candy Cane Love"

The Future Teachers of America once again sponsored the annual turna-bout dance. "Candy Cane Love" was the theme selected by FTA members. Once a year, girls are able to ask their favorite guy out on a date. The only stipulation is that the girls have to pay for tickets and pictures. Personalized candy canes decorated the walls for each couple that attended. "Friends" provided the music. After the dance, most couples went their separate ways for an enjoyable dinner.

Top left: Nancy Tokarz, Steve Dahlin, and Laurie Spencer. Top right: Rita Renner and her escort. Bottom left: Debise McCloud and Dave Vidimos. Bottom right: Carol Hancock and Dale Tucker.

### It Was: Enthusiastic pep sessions

Merrillville Pirate fans were able to show their enthusiasm through pep sessions. These pep sessions recognized all boys and all girls sports. The cheerleaders performed cheers to back the teams while many members of the sophomore, junior, and senior classes competed in skits to help their class win the spirit stick.

At Demaree field there was a community pep session when the Merrillville football team played Munster. An added attraction was the plane that flew over the field that read, "Merrillville Boosters say: Go Big Pirates, beat Munster. You're #1".

Above: Mary Beth Gavelek, Carol Jones. Top right: Basketball cheerleaders. Middle left: Fred Ramos. Middle right: Pirategram Left: Pirate community pep session.

### It Was: NBC at MHS for a Day

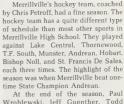

The physical education department has much to be commended for. They are one of the two schools in Indiana to try a new physical education program called Cardio Systems Curriculum Lab. This program deals with the improvement of the muscular system, the cardio vascular system, and the respiratory system. The program also shows the changes in certain body functions such as blood pressure and heart rate after doing exercises.

NBC visited Merrillville High School for a day to find out just how the unique lab works. Miss Joanne Schafer and Dr. Hill told the workings of the lab while many Merrillville physical education students demonstrated the program. It was shown on the five o'clock news.

### Four Flyers named to All-Star Team

Wroblewski, Jeff Guenther, Todd Speer and Andy Speer were all nominated to the Northern Indiana Hockey League All-Star Team.

### "Seasons Greetings"

The annual Christmas concert was postponed because of foul weather. This inconvenience turned out for the better because more Merrillville High School alumnus who attend college were able to be present at the concert at the postponed date. The program began with the Merrillville Concert Band. under the direction of Mr. Frank Meltzer. Pom-pon girls joined the band with dances to "Star Wars," "March of the Wooden Soldiers," and "Nutcracker Suite." The band also had a special attraction, a flute trio which played "Dance of the Reed Pipes." The second part of the program, under the direction of Mr. Reinhart, consisted of the Concert Choir, the Vocalteens, the Velveteens, and the Girls Glee. The highly recognized choral groups sang such songs as "White Christmas," "Simple Holiday Joys," and "Snow, Snow, Snow." The program ended with audience participation to the singing of Handel's "Hallejuah Chorus.'

Upper right: Mr. Reinhart leads the concert choir. Middle left: Lorariae Beres, Nancy Martin and Dorothy Hickman perform in the flute sextet. Bottom middle: Lynn Vagnone accompanies the concert choir on her flute. Bottom right: The finale of the band concert.

### Involvement day was a success

Once again the student council headed the student government day. Many students applied for positions within the community and several school systems.

Steve Foremski, head of the project, along with several other student council members, looked through the applications to fill the positions needed. Several students spent their day at the Administration Building while many others stayed at Merrillville High School and played the roles of principals, counselors, and secretaries.

The day proved to be both successful and enjoyable. Many students were able to take a break from the usual school routine while also learning about the different aspects of jobs for their future careers.

Top left: Pam Mishler, Sue Waichulas. Top right: Bridget Hamang. Middle left: Mike Psimos. Middle right: Patty Klepack. Bottom left: Kathy Harris, Belinda Boswell.

### Industrial Arts Bring Forth Tradesmen

With our society becoming more mechanical and technical every year, it is becoming increasingly important for many more tradesmen and technicians. Our Industrial Arts Department provides students with the opportunity to develop manual skills and learn to operate various kinds of equipment. There was a wide choice of areas offered as Technical Drawing, Metals, Welding, Electronics, Graphic Arts, and Auto, Wood and Machine Shops. Each was designed to give the class as much time as needed to master their skill. If it's a career in mind, or just tinkering around the home, such skills will always be handy.

Upper right: Mr. Dailey instructs his students in perfecting their projects in Woodshop. Upper left in Graphic Arts, these two students work at printing various programs for school use. Middle left: Precision and accuracy are on the mind of this Draffing class. Middle right: Developing a new skill using a metal lathe. Machine Shop classes put their talents to use. Lower right: Mr. Texter supervises a "time up" Performed in Aulo.

### Management and Home Skills Developed

After high school, not all students go directly into a career or to college. More and more young men and women are opting for a career in the home and/or parenthood. The Merrillville Home Ec classes aim to teach fundamentals which can apply later as well as now in bettering their current family situations. Child Development invites young children regularly as classes put their lessons to practical use. Food and Nutrition, Textiles and Clothing, and Family Management taught basic skills that all future homemakers need to plan and run a smooth and happy home environment. In these days of high inflation and rising divorce rates, such courses are a plus to today's students for a better tomorrow

lipper left: Sophomoro Gall Callender works along with classmates on choosing her next appear in Sewing, Unper right: These two little tykes enjoy themselves throughly as guests of the Child Development classes. ### Cagers have best team since '40's

For those people who watched the basketball team play this year, they saw history being made right before their eyes.

Coach Vermillion's cagers won their first thirteen contests, including victories over tenth ranked Elkhart Central and cross town rival Andrean. The Pirates suffered their first loss at M.C. Rogers when the Raiders came from seven points behind to win 63-62 in the last 49 seconds of the game.

The Bucs second loss came at the hands of the Highland Trojans, but not before upsetting highly rank Gary Roosevelt and knocking off LaPorte to win the Duneland Conference Championship.

The 1978 Boy's basketball team was by far the best team ever. Led by Senior Jeff Markle, the Pirates finished the season with a 19-3 record. Markle, himself was named to the All-State All-Area teams. He also was named MVP in the Duneland Conference. Iunior Tom Jelesky also received Duneland Conference honors. Senior guard Ed Krol was named to the All-Academic team.

Top left: Juniors Greg and Tom Jelesky go up for a rebound. Top right: Marc Strong blocks a shot against a Lew Wallace opponent. Middle: Greg Kemp awaits the jump ball. Bottom: Tom Jelesky takes a shot against La Porte.

### Cagers Capture Sectional Games

After finishing an astounding 19-2 season, the Pirates entered one of the largest, (8 teams), and toughest sectionals in the state, at Calumet.

In the first game the roundballers warmed up with a 77-52 victory over the Griffith Panthers. The Pirates outrebounded, out-shot and out-lasted as well as out-scored the Panthers.

Their second sectional game was against the hottest streaking team in the area, the Calumet Warriors, who literally tore up the Crown Point Bulldogs in their first game.

Led by 6' 10" center Scott Seeberger, the Warriors took control of most of the game, building leads of 15 points and more.

But the Pirates would not play dead. They snipped at the lead until they were one point behind with seconds remaining. Then came the man of the hour. Ed Krol.

He penetrated the middle, blew past the defense, and tossed up an offbalance lay-up that went over the big men to drop in at the buzzer. Pirates 61. Calumet 60.

The Pirate team entered the sectional championships against one of the only two teams to defeat them in regular season, Highland.

Although team co-captain Jeff Markle did not play at their first meeting, the Pirates made sure not to let history repeat itself.

Neither team was able to build up a large advantage, but with a minute remaining, Highland began to foul and our guards, Jeff Markle and Ed Krol, sizzled at the line.

Thus, the Pirates captured the Calumet sectional title, 70-60, to advance to the Gary West Side Regional.

Top middle: Junior Pirate Greg Kemp goes for a jump ball against a Highaland opponent. To pright: Senior guard Ed Krol shoots over Highland defenders as junior Tom Jelesky Jooks on. Bolta defenders as junior Tom Jelesky Jooks on. Bolta left: Ed Krol takes his turn at cutting the net after the sectional championship. Top left: Junior Greg Kemp jumps against an opponent after a jump ball was called by the referee during regional play. Top right: Senior Ed Krol

attempts to elude a Gavit defender in the back court. Bottom: Forward Greg Kemp goes between two defensive players to get two points.

### Pirates win First Title At Regionals

On arriving at the Gary West Side Regionals, the Pirate Sectional Champs didn't find matters easier at all. Three of the four team field were ranked all year in the State Polls. One of the teams, Hammond Noll, was ranked 5th in the nation! But again, the Pirates were not awed. Their opener was against a very surprising Hammond Gavit Gladiators team who came alive during Sectional play. Taking control were the Pirate's big men, Tom Jelesky, Greg Kemp, and Tim Seneff. To the surprise of many people, Hammond Gavit kept the game very close and made several threats to run away with the game. But the stable Pirate defense enabled them to hang on for a 62-57 victory.

The Regional Championship was seen to be one of the greatest turnarounds in Indiana High School history. Hammond Noll, after nipping Gary Roosevelt in a professional-like first game, opened up the Championship shooting and hitting at will, led by All-stater Thad Garner. Everyone related to the game in one way or another saw a rampage in the making. But the Pirate fans heard echos of the Sectional game against Calumet. The second half saw Krol penetrating the middle, Markle hitting from the outside, Jelesky working and scoring under the basket, Kemp hitting his hook, and Seneff scrapping loose balls and muscling for the rebounds. When it was all over, the Pirates earned their first Regional Championships, 48-47.

### Basketball team takes LaSalle; Frankfort

"Number 1 is a way of life at Merrillville. It's a status of excellence we set for ourselves," said Dr. Linden Hill at the pep session preparing for the semi-state basketball game.

And that feeling of excellence was demonstrated by Pirate Cagers, as they defeated both the South Bend LaSalle Lions and the Frankfort Hot Dogs to become semi-state champs.

In the afternoon game against La-Salle, the Pirates accumulated 58 points to the Lions' 50 with Jeff Markle being high scorer with 17 points.

Markle tied himself in the evening bout, with Ed Krol right behind him with 15.

The final score of the game was Frankfort 68, Merrillville 80.

The Hog Dogs played an on again, off again game which allowed the Pirates to become the winner.

Before the game Markle said, "We're going to Lafayette with one purpose: To win the semi-state and go to Indianapolis."

And so they did.

Top: Greg Kemp (44), Jeff Markle (43), Doug Smith (24), Nick Costidakie (40), and Marc Strong await directions during a time out. Bottom: Ed Krol tries to work through La Salle's defense di Krol tries to work through

# But loses to South

After a hectic week of hunting tickets so fans could attend the first semifinal game in Merrillville's history, the team lost 53-54 in overtime against Terre Haute South.

The game was not anything to be ashamed of though. Tieing the score 14 times the Pirates fought to the very end when South took the lead just before the buzzer.

The largest lead in the game came in the third period when South went ahead momentarily by four points.

Tom Jelesky was the leading scorer of the afternoon with 23 points and 14 rebounds.

An exciting finish to the game was made even more tense by several timeouts called by Coach Jim Vermillion to try to cool off South.

The team was supported by student and community fans with two pep sessions before the game and one at 1 a.m. when they arrived home.

School was cancelled Monday after the game in honor of a job well done.

Top: Pirate players await the rebound. Middle left: Tim Seneff shoots to keep pace against Terre Haute South. Middle right: A jump ball slows the action temporarily in the quick moving semistate game. Tom Jelesky makes the jump. Bottom: Tom Jelesky and Jeff Markle watch as the Pirates score two.

# Swimming Bucs ranked fourth in State

"This has been the hardest team I've ever had to coach, it's also been the best." That's how Coach Lee McCloud described the 1977-78 Pirate swim team. Ending the dual meet season with a 11-4 record the Bucs went on to take the Duneland Conference meet, the Michigan City Rogers Sectional and 2nd place in the North Central Relays in Indianapolis.

Finishing 10th in the state, the highest ever for a Pirate team, they were at one time ranked 4th, Junior Dave Vidimos took sixth place in both 200 individual medley and 100 yd. backstroke. The 200 medley relay of Senior Mark Thursby and Gary Graves and Junior Steve Toigo and Dave Vidimos captured a 5th place finish.

### Again Duneland Champs

The swimming Bucs captured their second Conference championship in four years. After trailing conference rival Valpo for most of the meet, the Pirates took the lead after 500 yard freestyle, when distance men Jon Cone, Doug Targett, and Jim Fargo placed 1st, 3rd, and 7th respectively.

However, the lead shifted back to Valpo after the next two events and Merrillville found themselves down by one point going into the final event: the 400 freestyle relay.

In a time of 4 minutes and 35 seconds; the team of Cone, Targett, Jim Langbehn, and Dave Burelli finished first, set a Duneland Conference record, and more importantly defeated Valparaiso's team to assure Merrillville of the 1978 Duneland Swim Championship.

One of the most controversial races of the season was the 50 yard freestyle. Because of a failure in the timing system, sophomore John Durkin and senior Dave Burelli were awarded 5th and 6th place while senior Mark Thursby was awarded 4th and Valpo swimmer Tim Harmon 3rd.

Top: Pitat Swimmers, Tom Fargo, Paul Dyman, Mike Wing, Jim Davidson, and Ken Dyman show Mike Wing, Jim Davidson, and Ken Dyman show their approval after the Bucs were officially declared sectional champions. Bottom: Captain Dave Burelli talks with Sophomore Doug Target after Target anchored the 400 yard free relay to gain conference championship.

### Girls finish 7th

The girls swim team was one of Merrillville's most successful team's. Led by standout senior Susie Neville, the Purple Wave finished the dual meet season with 8-4 record, finished 2nd in the Duneland Conference behind rival Valpo, 3rd in the Sectionals and 7th in the State Championship. In the state meet, Neville personally finished 2nd in the 100 yd. free style and senior lanice Hebert placed 2nd in diving.

## Alternatives to the Routine Sought Out

English meant a lot more than just reading stories and writing essays. At Merrillville, ample is one word to describe the amount of classes that were open to students. Besides the Composition courses, classes in the areas of speech, journalism and various forms of literature were available for one semester. In addition to these, once again the popular nine week courses were offered. More specific in nature, nine week offerings included Popular Literature, Vocabulary and Perspectives in Death. This versatility could be one reason why our English Department is in such great demand.

Below: Mrs. Frye keeps one eye on her gradebook and the other on students during classtime. Upper right: Mrs. Koby's Intermediate Comp class diligently prepare their essay assignments.

Opposite lower right: Sophomore Denise Marcoff gropes for just the right words in finishing her paper. Above: Wms. Armstrong's casual glance is caught by photographers as she assists a pupil. Above left: Junior Chris Gallattis checks over her vocabulary one last time before taking another quiz. Above right: Judging from his appearance, seems like Junior Todd Harmon's knowledge is paying off at exam time.

# "Calculating" Problems Provided in Math

Mathematics is one field where precision and logic are an absolute must. And with equations, proofs, graphs, formulas and other tricky calculations. it's one subject where students have plenty to keep them busy. Since math is a required course for graduation, the Mathematics Department has various classes to satisfy many needs. Ranging from General Math onward to Algebra and Geometry, and finally to the complex Trigonometry and Calculus, there is ample challenges open at every level. In addition to these, one semester courses like Math Analysis and Probability can be selected by students. Whether or not your future is in mathematics, it's one field to benefit from, no matter what your academic studies

Upper right: Working on proofs and theorems is Mr. Fackler's Geometry class. Middle left: Pausing from a lecture of Algebraic formulas. Mr. Hutchinson is caught by our cameras. Middle right: Junior Scott Black begins working on his math assignment. Lower right: Mr. Pigg supervises his class during testing.

### Knowledge Applied in Labs

Scientific studies and persons with good backgrounds in science are demanded more and more in our progressing society. So now, more than ever, students are preparing with courses in science for their future roles. The Science department at Merrillville has many classes which provide the necessary knowledge in the physical and chemical nature. Laboratory work is emphasized, with the use of modern equipment to add even greater comprehension. Biology, Chemistry, and Physics are courses open to those students desiring to experience firsthand the how's and why's to physical and biophysical world. So whether it's dissecting frogs or Darwin's theory, the Science Department is a good start to a medical or scientific career.

Upper left: Looking thrilled, Sophomore Greg Lilly dissects worms in Biology. Upper right: Sophomore Darleen Gorgas works on a Biology experiment. Middle left: Mr. Banas assists his students in their lab projects. Lower left: Careful measurements insure Juniors Jeff Mack and Tom Lozanoski good results in their labs done in Chemistry

### Wrestlers grab School's First

### Semi-State Championships

The wrestling team was the first in Merrillville history to ever win a semi-state crown. The team was undefeated in the season and in the conference. In addition, the grapplers placed first in the Merrillville Invitational, second in the Culver Military Invitational, and third in the Mooresville Invitational. The team went on to place first in the sectional, regional, semi-state, and 30th in the state.

This year, the wrestling team had many outstanding matmen. They had five grapplers who qualified for regionals and semi-state and four wrestlers who qualified for state. The state qualifiers were George Costakis, Mark Konrady, Larry Tharp, and Ken Turner.

Ken Turner placed third in the state while also receiving the most valuable wrestler in the Duneland Conference.

At the awards night, Ken Turner was voted most valuable, most falls, and most takedowns (42). Tom Costakis, was voted most outstanding mental attitude.

### Gymnasts Compete on Three Levels

The 1977-78 Girls Gymnastic Team had much to be proud of. The talented team, under the direction of fifth year coach Diane Rusak and assistant coaches Lisa Robertson and Cheryl Pendleton, continued its winning tradition by totally dominating the Duneland Conference Gymnastics scene.

Loaded with talent at all three levels and backed by nine returning letterwinners, the consistant gymnasis compiled an 11 and 2 record at the beginning level, 12 and 1 at the intermediate level, and much deserved undefeated 13 and 0 record at the optional level.

All three levels found themselves Duneland Conference Champions, as M.H.S. stole the show with eight first place individual winners.

The young optional team, paced by senior standouts Kim Leposky and Claudia Pawl, juniors Jinx Sikora, Stephanie Stevens, Stephanie Palvas, and talented sophomore Laura Maresko, walked away with the most coveted trophy in Northern Indiana—The Portage Optional Invitational Championship. They also won the Sectional title and placed third in Regionals.

The team qualified ten girls for Regionals and seven for the State finals—more competitors than any other team in the State! Placing at state were beginners Paula Tully and Lorrie Rivera, and intermediate Donna Engel. Capturing firsts for Merrillville was the dynamic duo of Tina Wiggins and Maggie Utremovich.

During dual meet season two school records were set by Tina Wiggins who compiled the highest all around score and the highest individual score in the school's history. Tina received six scores in the nines!

Top: Sophomore Paula Tulley performs her floor exercise. Middle: Sophomore Dara Galic takes a break between routines. Bottom left: Freshman Donna Engel displays her gymnastic talent. Bottom Right: Kim Leposky gracefully performs her beam routine.

Bottom left: Sophomore Tina Wigdles Sohwas her good balance on the beam. Middles Sophomore Darlene Sekerez displays good form on her floor exercise. Above Junior Stephanie Palvas works on her optional beam routine.

### Business Skills Prove Useful

Once again during the past year, the business world grew and with it grew the need for qualified people well versed in the clerical and management areas. For those individuals possessing these skills, opportunities existed in abundant supplies. Many students, sensing the current demand for those with a substantial background in business, obtained the knowledge through

courses in the Business Department. The popular typing courses, taught at both beginning and advanced levels, drilled in the fundamental office skills. General Business developed an all-around business knowledge, while Accounting and Recordkeeping taught methods and terms in the keeping of statistical records. Office Machines gave students the chance to run actual

equipment used in the office. And for the determined students, there's Shorthand, which proves profitable when seeking employment. To secure a good position in tomorrow's business world, as well as assisting in the college days ahead, background from the Business Department is always an asset.

Upper left: Mrs. Bothwell assists a student in Typing 4. Upper right: Comtemplating business terms is Mrs. Leduc's General Business class. Lower left: Senior Mark Vislosky intensly computes the solutions on his Accounting tests. Lower right: Accurately, Sophomore Cheryl Platut Yupes her manuscript.

### Appreciation and Creativity Strong

One of the most satisfying feelings could be experienced through creating a work of art with your own two hands. Creating such works required talent and knowledge of principles in design and composition, and appreciation of the many forms of beauty that make up our world. That special mixture of personal enjoyment and enrichment was the backbone of the Merrillville Art Department. Their top priority was to provide the opportunity to learn new skills and to develop and strengthen the student's talent to his highest level. After taking the required Basic Art courses, class offerings ranged from Painting, Ceramics, Sculpture. Crafts and Drawing to Commercial Art, Textiles, Fibers, Printmaking and Art Appreciation. Courses in Art were one way to let stifled creativity have a chance to be released, as well as to display their talents for the finer works of life.

Upper Left: This Sculpture class begins work on their individual projects. Lower left: Mrs. Alex-ander demonstrates "how it is done" in teaching Ceramics. Middle: Junior Mary Ojace "creates her own design in Painting. Right: Relaxing a bit from Painting, Juniors Dave Dakich and Scott Collins take time to talk over the day's events.

### It was mid-term graduation

Seniors who had thirty-six credits and had completed government and economics were eligible for mid-term graduation. This year Merrillville High School had over 140 mid-term graduates. Earlier than the majority of the class, these seniors participated in the fitting of caps and gowns, the ordering of announcements, and the practice for commencement. Commencement and baccalaureate were held at Reinhart Auditorium on January 15. Master of ceremonies was Dr. Hill. Graduation festivities were highlighted by music from the choir under the direction of Mr. Reinhart.

Top: Mid-term graduation practice. Middle left: Cindy Janis. Middle right: Joe Berger. Right: Mary

Top: Mid-year graduation practice. Middle: Lisa Rajsich. Far left: Lisa Mehay. Left: Dr. Hill.

### Revue '78 was a Gong

Once again the Thespian Society put on "That's Entertainment" Revue '78; this year featuring "The Gong Show". Mike Carniello starred as the host portraying Chuck-bare-with-us while many other Thespians backed him as panel members. Included were Steve Martini, Edith And, Ashley Roach-Clip, and Libber-Lacy.

Many hilarious skits and musical numbers were presented. Some highlights of the show were "Jaws II" adapted by Mike Carniello, the lipsinging of "Triplets" and "Short People", and the musical number, Small Town Blues, featuring Dave Dakich on electric guitar, Dave Zale on bass guitar, and Roger Tuchek on drums. Magic acts were performed by Garry St. Martin, Jerry Herzog, and David Jatzak. A special feature of the evenings was the performance of Denise Ballmer singing "With One More Look At You/Watch Closely Now". Denise had a small band, piano, and dancers backing her to enable her song to be a production rather than a performance.

The revue has become an annual affair under the direction of Mr. Joseph Morrow. This year Mr. Morrow was assisted by student director, Toni liminez.

Upper left: Dave Bedella and Steve Robinson perform a gong act. Upper right: "Short People" Mike Nommenson and Zaolt Hertelendy. Middle left: Dale Tucker as one of the "Triplets". ### Yearbook

Producing a yearbook involved the time and effort of many people. Days passed when there seemed to be hardly anything at all to be done. But when the deselline came, it was as if everything needed to be done at once. It took a lot of cooperation and dedication on the part of the advisor, Mrs. Elaine Wheetley, the editors-in-chief, section editors, and photographers to put a quality book together. Finishing a year-book meant more than just completing it and sending it to the company to worry about. It meant selling ads, taking clear and interesting pictures, and capturing the very essence of life at Merrillyue sence a perennial representative of the year as it was, as well as making it an appealing reminder to all the students who lived through it. So whether you're interested as a writer, photographer, or salesman, the courses in Yearbook and Journalism are ones definitely worth looking into.

## Physical Well Being Achieved

All over the world, men and women have rediscovered the value of proper diet and exercise. No matter what the form, people began beneficial exercise programs aimed at improving both their physical and mental conditions. At Merrillville, the Physical Education Department provided this essential exercise daily. But there was a lot more to the gym classes than just situps and jumping jacks. Thanks to a well equipped facility, a variety of sports

and games were covered. Included in the gm itinerary were gymnastics, volleyball, tennis and swimming. With the use of physical fitness testing, students could actually chart their own progress. And, to further strengthen skills as well as interest, several field trips were taken by the physical education classes. But, besides development of skills, the physical education classes taught the important lessons of spirit.

teamwork and sportsmanship. Also offered, in addition to gym, were courses in Health and Safety and summer Driver Education classes. These courses rounded out the student's knowledge that will serve him a life-time. The Physical Education Department provided not only a release for built up tensions, but also as a beginning of a more vigorous, healthier lifestyle.

Upper left Taking careful aim, these P.E. shidents work on archery techniques. Upper right: Sophomore Debbie McCloud intently keeps her time with the bamboo poles. Lower right: Ready to spike the ball, these guys are set for a vigorous volleyball same.

# Beautiful Sounds Ring Out

Opported the Practice makes perfect, as these band members can testify. Above left: Mr. Reinhart and the Vocalteens prepare continuously for their next performance. Right: The clarinet section perfects their sound in band.

Mastering a new musical arrangement, hitting that impossible high note, or performing at a football game or in a public concert, these were all part of the Merrillville Music Department. Under the careful direction of Frank Meltzer, the band boosted our spirit as well as providing some melodious sounds throughout the year. The band also competed in all of the State Music Contests sponsored by NISBOVA, and sent students to the All State Band. Their musical schedule was heavy, with daily rehearsals, marching, and their solo and ensemble activities. But the members' endurance proved rewarding, by performing at three public school concerts and numerous community projects.

a satisfying year. Choral Director Jerauld Reinhart stressed the develcal appreciation. The Concert Choir consisted of both boys and girls and Members of the Concert Choir and Girls' Glee Club competed in the NIS-VOVA and ISBOVA solo and ensemble contests. Both performed in school and community concerts. The Vocalteens and Velveteens were specialized performing groups. Members sang and danced for over forty civic. social, and church organizations, as well as performed in the Concert Choir productions. Musical experience gathered by these students, whether band or choral, was not only for fun, but improved their confidence in their other

## Girls Post Successful Season

The girl's track team, continuing their winning tradition, fought hard to earn an outstanding 16-1 record. Improving last season's record, the team's only loss was a heartbreaker to conference foe Valparaiso by one point. To name a few of their victims were such powerhouses as Andrean, Highland, and LaPorte.

After placing second in the Duneland Conference, the team proceded to sectionals, also placing second. Sectional champions included Peggy Van-Denburgh in the 440 yard dash, Debbie Homier in the shot put, the 880 yard relay team, and the 440 yard relay team. Seven girls qualified for Regional action at West Lafayette. Pacing the track team was captain Peggy Van-Denburgh, who has remained undefeated in the 440 yard dash for two years in dual meet action.

## Bergman's Netters Post 9-5 Year

The Girl's Varsity tennis team, coached by Becky Bergman, overcame the severe changes in weather this year to finish with a 9-5 season.

Sectionals were held at Hammond Harrison Park. Merrillville's participants included Daria Sawochka, quarter finalists Kathy Abel, Karen Graves and April Oliver. Michele Boran and Stephanie Duncan were first round winners.

The Junior Varsity team, consisting of 21 girls, also displayed a great deal of talent showing promise for next year's Varsity squad. The girls finished with a 4-4 record.

## Young Track Team Promising

The 1978 Pirate track team, consisting mostly of underclassmen, strove to a 3-1 early season record before injuries started to take their toll. Nevertheless, the track team showed many signs of improvement and promise for next year.

The Pirate Thinlies opened their season with two solid dual meet triumphs over Hobart and Hammond. After splitting in their next two dual meets, injuries proved costly as they dropped two very close contests with Gary Wirt and Portage. Highlighting the rest of the year was placing a respectable third in the Delbni Relaws.

Concerning individual efforts, school records were tied in the pole vault and high jump by Dean Schmidt and Marc Strong, respectively. Scott Wiggins set the first school record in the 330 yard low hurdles, a new event. Regional qualifiers included Dean Schmidt and Kelly McClure, both in the pole vault. Dean Schmidt was a state qualifier in the pole vault.

### It Was "Don't Drink the Water"

After many weeks of long practices, the junior and senior classes presented the Woody Allen comedy, "Don't Drink the Water". Because of the energy crisis and the state championship basketball game, the play was almost cancelled, but everything worked out well and the cast was able to perform three nights.

In the play, an American family, mistaken for spies, plot their escape from behind the Iron Curtain.

The director of "Don't Drink the Water" was Mr. Joseph Morrow. He was assisted by Bridget Hamang, student director and Terry Stanton, rehearsal assistant.

Cast of "Don't Drink The Water" Walter Hollander ......Dale Tucker Marion Hollander ......Belinda Boswell Axel Magee .....Rich Rongers Susan Hollander.....Lynn Vagnone Father Drobney......Garry St. Martin Kilroy.....Rick Leone Ms. Burns ......Candy Brasich Ambassador Magee......Scott Mellinger Krojack.....Mark Wilkins Sultan .....Tom Dukeman Chef ......Mike Carniello Countess.....Lynn Metcalf Kasnar.....Zsolt Hertelendy Sultan's wife ......Dorothy Hickman Novotny.....Terry Stanton

Top: Lynn Metcalf, Zsolt Hertelendy, Dale Tucker and Belinda Boswell. Middle Left: Senior Rick Leone. Middle Right: Mike Carniello, Dale Tucker. Bottom Left: Tom Dukeman as the "Sultan."

# Counselors Work to Advise Wisely

Scheduling students, administering SAT tests, and tackling student problems, the Guidance Department, as in the past, had a busy year. Each day, counselors and secretaries faced many situations that called for quick, yet wise, decisions. It seems their itinerary was always full of important appointments, such as individual conferences with students, PSAT tests in October.

SAT tests in May, and, of course, arena scheduling. Helping seniors with college and career choices or advising junior high schoolers with their high school program, the guidance counselors worked hard to better students' outlook during their high school years. Through their dedication and productivity, everyone, teachers and students alike, could benefit.

Upper right: Public relations administrator Debbie Evans types up some copy concerning the Dave Vidimos his program, as Junior Doreen

Morrill looks on. Above right: Guidance assistants Sophomore Renee Shambly and Senior Susan Shafchuk look up information in the college resource materials available in the department.

## Provides "Thinking Space"

One way to insure better grades is by doing additional research. Understanding your subject is imperative in gathering any knowledge. And, as always, students and administration could always turn to the Instructional Media Center to provide the information they sought. But the Library held more than just encyclopedias and atlases. Books for every interest, fiction and non-fiction, could be located once inside. And, in addition to their infinite supply of books, the Library also offered various pamphlets, records, and sound film strips to students interested in further widening their scope. With helpful librarians and assistants, the Merrillville Media Center combined a quiet atmosphere and variety in materials to make learning more of an enjoyable task.

Upper left: Reading up on their subject, this class has students researching and patiently developing their reports. Above left: Audio-visual student Mike Morrison adjusts the equipment to Mr. Wooldridge's specifications. Above right: Sophomore Renee Modrowski checks and files various book cards in the library's card catalogs.

# Bucs Are Conference Co-Champs

The Pirates baseball team completed another winning season and became Duneland Conference cochamps, sharing the title with 2nd ranked LaPorte.

The team started the season on the weak side without the services of many starters who were completing their extended basketball season. But when they arrived, the Pirates won 11 of their next 12 games, including their second win over highly rated LaPorte.

Normally, these two wins would have enabled the Pirates to become sole Conference champs, but due to some changes in the system they became co-champs.

Outstanding individual efforts during the season were by Mark Vilosky who tied the home run record, Greg Kemp who threw a no-hit shut-out, and Kevin Spadoni who lost only one game, set a record of 21 strike-outs in a single game, and became the first pitcher to strike out over 100 batters in his Merrilliville career.

Top: Sophomore Bill Brebich awaits the ball. Middle: First baseman Tom Jelesky is ready for action. Bottom left: Junior Greg Kemp takes it easy before the game. Bottom right: Senior Mark Vislosky was called out after hustling to first base.

## JV'ers Finish With 7-7 Season

The J.V. Baseball team finished the season with a 7-7 record overall and a 5-7 record in the Duneland Conference.

Highlighting the season was Bill Brebrich's 1-0 no hit effort against Munster. Outstanding hitters on the team include: Mike Kerulis, 438; Scott Watsmen, 382; and John Mishler, 348.

In the pitching department Bill Brebrich was 4-1 and Mike Kerulis was 2-1.

Top: The batter takes a good cut at the pitch. Middle left: A JVer hussles to beat out a bunt. Middle right: The defense closes in on an infield fly. Lower left: A MHS slugger shows good form at the plate. Lower right: Players take time out to pose for pictures.

## FTA recognizes teachers

On the morning of March 23, the FTA hosted the annual Teacher Recognition Breakfast given for the staff and administration of Merrillville High School. While they snacked on sweet rolls and coffee, the invited were pleasantly surprised with gifts given to them by their "elves". They were presented through Dorothy Hickman, who was appropriately dressed as the Easter Bunny. It was quite an enjoyable morning for all who attended.

# It Was Moonlight and Roses

"Moonlight and Roses" was the theme chosen by the junior class for the 1977-78 prom. Held at the Greek Hall, couples danced to soft music provided by "The Clear Tones". The high point of the evening came when prom royalty gathered on the stage to await the announcement of King and Queen. Surprised Scott Wiggins and beaming Paula Thorsteinson, were crowned as King and Queen of the Junior Prom. The "royal" couple then led the Grand March around the decorated ballroom.

The Post-Prom, which was sponsored by a group of parents, was also held at the Greek Hall. The music changed to more of a "disco-sound". As couples danced, enjoyed the company of friends, sampled the dinner, and listened to the music, the night dreamily passed until it was time to leave.

Lower left: Paula Thorsteinson and Scott Wiggins. Top right: Candy Brasich and Mark Reinhart. Middle right: Gail Atkission and John Krol. Bottom right: Kathi Stroia and Sue Tipton.

Top left: John Shilling and Scott Wiggins. Lower left: Mary Bishop and Paul Olesh. Middle right: King's court: Scott Wiggins, Dan Nelson, Nick Costidakis, and Grag Kemp. Bottom right: Rick Mriscin, and Debbie Coleman.

## It Was: Make Your Own Kind

of Music

In the spring, the choirs presented "Make Your Own Kind of Music" as their annual concert.

Vocalteens, Girl's Glee Clubs, Velveteens, Concert Choir and the band entertained audiences for two May evenings with the direction of Mr. Jerauld Reinhart and the choreographing of Ms. Eileen Moses.

The program included such favorities as "Baby Face," and "You Are So Beautiful" sung by the Concert Choir along with "Steam Heat," and "One of Those Songs" performed by the Vocalteens and Velveteens respectively.

Top: Vocalteens. Middle right: Velveteens. Middle left: Vocalteens. Bottom: Concert Choir.

### 200 Seniors Receive Awards

recognized at the annual Awards Day program.

Students were honored for achievements in academics, athletics, and activities. Certificates were presented to 38 seniors and juniors with perfect attendance, including senior Pamela Braun with 12 years of perfect attendance.

The 58 seniors in the top ten percent of the class were also presented. along with students who received Hoosier State Scholarships and made the A honor roll for three grading periods.

Individual awards include: Patty Klepack and Ed Krol, Americal Legion "Outstanding Seniors" awards; Jean Pappas, American Lung Association High School Research Grant; Sean Dwyer, Helen Ceko, Marleen Kordys, Dessa Samardzijia and Darci Van Meter John Will Anderson Foundation Scholarships; Valerie Frey, Avon

Almost 200 graduating seniors were Scholarship: Susan Neville, DAR Award; Jean Pappas, Mike Carniello and Doug Zale, Elks "Most Valuable Student" Awards.

> John Lipton and Pete Eich, Evans Scholars: Nancy Martin and Joyce Lagenoek, Future Teacher of America; Valerie Engel, Post-Tribune "Most Valuable Staffer"; Steve Robinson, German American National Congress Award; Lisa Bryant, Times "Most Valuable Staffer" Award; Valerie Frey, Times "Safety Essay"; Bridget Hamang, Jill Jaskolka Memorial Scholarship.

> Kirk Dunkelburger, McHale Scholarship from Hoosier Boy's State; Lisa Sopko, Merrillville Chamber of Commerce Scholarships; Patricia Campuzano and Jutta Voigt, Rotary and "Youth for Understanding" foreign students; Kirk Dunkelburger, National Math Contest; Mike Carniello, Jean Pappas, Steve Robinson and Tim Seneff, National Merit Finalists; Jean

Ed Nemergut, Suburban Federated Women's Club "Trouper Award"; Kirk Dunkelburger, Beta Rho Chapter-Tri Kappa Science Award; David Dakich and Dorothy Antic, Tri Kappa Art Awards: Kim Bade, Teamsters Union Scholarships; Carol Hancock, appointment to U.S. Military Academy at West Point; Doug Zale, Xi Epsion Mu Scholarship.

Kirk Dunkelburger, Westinghouse Science Talent Search Award; Michelle Palmer, Malpas Trust Award, Depaw University; Steve Robinson and Kirk Dunkelburger, Purdue University-President's Honor Award; Ed Nemergut and Mark Wilkins, Regional Media Fair Awards; Kirk Dunkelburger, Bausch and Lomb Science Award; Gail Kneggendorf and Zineta Kovacevic, Lake County Home Economics, "Outstanding Seniors"; Dale Tucker, Senior Drum Major Award; Lucinda Heiser, Scholastic Art "Gold Kev" Award.

Juniors honored included Boys State candidates Michael Geske and David Vidimos and Girls State, Gail Atkisson, Candy Brasich and Debbie Homier, and Indiana University Honors Program participants Tod Harmon, Sue Meschede, Sheila Valle, Debbie Wiles and John Ratulowski.

Departmental awards were presented to seniors who showed most achievement in the subject area. They were Dorothy Antic, Sue Sebben and Rich Wilson, Art: Mike Nommensen, Audio-visual; Sharon Krawczyk, Jean Sharpe, Lisa Sopko and John Tylicki, Business; Sean Dwyer, Jean Pappas, and Jutta Voigt, English; Nancy Tokarz, Carl Fink, Doug Fink, Mike Carniello, Dinora Villareal, Foreign Language; Sean Dwyer, special merit in Foreign Language.

Donna Reed and Carol Wenrich, Home economics: Mark Chandler, Dave Hurley, Dale Mattingly, Terry Stanton and Tony Virgo, Industrial Arts: Kirk Dunkelbuger, Math; Bridget Hamang, Choir; and Kirk Dunkelburger, Band, Music; Bob Dunklau and Sandi Love, Physical Education; Jean Pappas and Doug Zale, Science; and Debbie Gaskey, Angie Micic and Doug Zale social studies.

Thirty-two of the seniors were recognized for scholarships from various colleges and universities.

## Seniors Prepare for Graduation

In the last week before graduation seniors began to prepare for the end of their high school career.

The first item on the adgenda was the distribution of caps and gowns. Students were called from classes to collect their gowns and collars. Honor Society members traded purple and white tassels for gold ones and special collars.

The seniors returned to school after their final day of classes to participate in the senior breakfast.

Senior newspapers were sold at the breakfast and afterwards students practiced for commencements.

Top: Anne Shulz, Louann Nocum, Joyce Lagenock. Middle Left: Mark Thursby. Middle Right: Cheryl Sweat. Bottom Left: Yvonne Andros. Bottom Right: Bob Jones, Floyd Carnes, Fred Hopp, and Mark Allenspach.

## Area Ministers Speak to Grads

Mark Konrady, senior class president, played master of ceremonies for Bacculaureate the Sunday before commencement.

Invocation and benediction were given by Rev. Verl Ballmer and Rev. Timothy Doody, respectively.

Rev. Robert Bunnell read the scripture and Rev. Richard Chrispell addressed the graduates on the sterotypes of our society

Senior Phil Chase played the organ and the Concert Choir sang the traditional songs: "Roots and Leaves," "Praise Chris, Alleluia," and "The Lord Bless You and Keep You."

Top Left: Mark Konrady. Top Right: Rev. Richard Chrispell. Middle: Concert Choir. Bottom: Sheri Halsted, Dian Oros, Diane Dudak, and Debbie

## Graduation Has Special Moments

Thursday, May 25 marked the day for the 52nd commencement exercise.

Four hundred thirty-eight anxious seniors paraded into the gym, overcrowded with the proud families of the oraduates.

Senior class president, Mark Konrady, began the exercises by introducing Rev. David DeFor, who gave the invocation.

"Rules for Life" was the title of the speech given by co-valedictorian Kirk Dunkelburger, in which he mentioned many ideas that each of us will keep in mind throughout our lives.

Marlene Kordys, co-valedictorian, was the next to speak and she mentioned that each of us should be true to ourselves and have our own identities.

Mrs. Phyllis Tully, president of the board of education, said a few profound words especially for the class of 1978, "Unity in Diversity", a saying she said fit better than any she has every heard.

Next, and most important was the presentation of the senior class to Dr. Robert Schrenker, by Mark Konrady. Each student approached the front, shook hands with Principal Dr. Linden Hill and heard their name read. They then walked across the stage—beaming with pride, to finally receive their long awaited diploma. Each of the girls was presented with a red rose by the senior class.

As Mark Konrady instructed the seniors to turn their tassels, some sent their caps flying through the air. They have graduated!

The Rev. Dennis Stutrud gave the Benediction and as the class of 1978 left the gym, a few tears were shed. The realization of it all may take a while to hit each of the seniors, but they have finished high school forever. Some are happy, some are sad but each must admit that high school was a very important part of their lives.

Top: Tim Lynch. Middle: Jean Pappas, Mike Carniello, Marlene Kordys. Bottom: Kim Seitzinger.

Top Left: Seniors after receiving their diplomas. Middle: Mike Mestousis. Bottom: "Turning of the tassels." Top Right: Marlene Kordys. Above: Becky Tiernan.

The Record . . . What It Is. This section of the book consists of the individual class pictures, club group shots and team photos. The second part of our book allows us to remember those who participated in the various organizations offered at the high school. We felt these were special pictures that needed a special part of the book.

# 58 Seniors Graduate in Top Ten Percent

## Five Seniors Grab Top Honors

Five seniors shared top honors of the graduation class, Principal Linden B. Hill appounced

Named as co-valedictorians are Kirk Dunkelberger and Marleen Kordys. Both Students had a 4.0 grade point average.

Sharing the salutatorian spot were Michael Carniello, Jean Pappas and Doug Zale. The students each had a 3.988 average.

Dunkelberger is a member of National Honor Society, Thespians, band, Science Club and served at Hoosier Boys State his junior year. He was an organist for his church and was awarded the top prize in the regional science fair competition.

He planned to attend Purdue University, Lafayette to study electronic engineering. He was recognized for his

science achievement in the Westionhouse Science Talent Search and the Indiana State Talent Search.

Kordys planned to attend Ball State
University and planned to study
accounting.

In high school, she was active in choir, National Honor Society, and was named to the Spanish National Honor Society.

Carniello was one of four students named as finalists in the National Merit Scholarship competition. He is involved in National Honor Society. Student Council, Forensics League. Thespians and participated in the Indiana University Honors Program in Spanish.

He planned to study mathematics at Purdue University, Lafavette.

Pappas was also a National Merit finalist. She planned to study pre-medicine at Washington University in St. Louis, Mo. She was an award winner in the American Lung Association's Research program and in the regional science fair competition.

She was a member of Science Club, Math Club, Speech Club, Forensics League, National Honor Society and Student Council.

Zale is active in National Honor Society, Thespians, Concert Choir and Vocalteen, and served as Student Council president in his senior year.

He also participated in the Hoosier Boys State program and in the Ross Summer Music Theatre for four years. He planned to study pre-medicine at Indiana University, Bloomington.

### Wanted, Volunteers.

Today's Army is an Army of volunteers. The many people who are in the Army are in it because it's a good place to begin.

Partly because of the benefits. A monthly starting salary of \$397.50 (before deductions). With a raise to \$443.10 in just six months. Plus free housing and meals, free medical and dental care, free job training, 30 day paid vacation a year.

Partly too, because of the personal challenge. The disipline. The mental and physical demands. The early risings, hard days, and late nights.

In the Army, we don't have time clocks. And in Soldiering is a full-time job.

We don't require prior experience. But we do require high standards. And if you meet them, you're the kind of volunteer we want. The kind your Country needs.

What It Was ...

March, Arpil, May ... the school year ended much too quickly. It is now June, the starting of another summer, and time to reflect on the memories of the past school year.

Sophomores ... no longer afraid, now accustomed to the system. Anxious for school to let out and start their summer activities. "That English class was a breeze. Done with gym class FOREVER! Next year I'm a Junior already!"

Juniors . . . it was another year of experience and challenge for them. "History is over with. I hope Government and Econ aren't too hard. This year went by pretty fast. What will I wear for Senior pictures?"

Upper left: Seniors Jeff Truchan and Mark Dakich. Middle left: Senior Shari Hosler gets measured for her cap. Lower left: Seniors Don Watts,
Gary McGraw and Rick Wilson. Upper left: The
1977-78 Pompon girls perform at a pep session.
Upper right: Senior Jim Thomas recieves his diploma and congratulations from Dr. Hill. Lowe
left: Senior powder puff team "fires up" before
game time.

WHAT

Seniors ... They just can't believe their last year has come and gone. They think back to Sophomore and Junior year when they wished it was their Senior year. That memory seems like yesterday. "I've waited for this year for so long, and now it's already ended. I don't know if I should be happy or sad. I'm glad the hassle of doing homework is over with. No more worrying about essays, tests or report cards. But it's kind of sad in a way, knowing that I'm not coming back next year. I wonder if I'll see any of my friends any more. Gosh, I'm gonna miss this place more than I ever thought I would!"

Graduation, the final pages in the chapter of your school years. It is now that you begin to realize that your twelve years of learning were a lot more than just homework. They were what you made of them. That's WHAT

Upper left: The football team in prayer before game time. Lower left: Mid-term grads "turn their tossles" during commencement ceremois: Middle: Jeff Markle, Patty Klepack, Tom Nelson. and Cara Springman. Upper right: The "endless" hall. Lower right: Dr. Hill explains why "We're No. 1!".

IT WAS!

What a year it has been! Mere memories are all that is left now. We only hope the memories captured in this album are enough to keep your high school years alive forever. We are very pleased to have been a part of this memory book. There is a lot of effort involved in putting out a yearbook, and a lot of people putting out that effort. Many, many thanks goes to Mr. George Kingsley Jr., our yearbook representative. To Mr. John Giolas, a big thanks for all his help in the photography department. Our appreciation to Mrs. Elaine Wheetley, you will never be forgotten for everything you've done. Last, but not least, our special thanks to those 24 wild and crazy people who were all a part of making this book. There is no need to name names because you all know who you are. No matter how much or how little each of you contributed you should be very proud of yourselves. Despite financial and other numerous set backs, the combined effort from the staff got us through some rather crucial times.

We offer congratulations and best wishes to the entire graduating class of 1978. This book was especially dedicated to you because you're Seniors and you deserve it!

And finally, thank you to all of the students, faculty and administration of Merrillville High School for making this school year and book "WHAT IT WAS!"

Lisa Bryant and Joann Keilman, Co-Editors
